FRENCH DJ-PRODUCER

A YOUNG ARTIST 100% FRENCH TOUCH WHO BRINGS THE 80'S FUNKY SOUND STYLE
AT THE TASTE OF THE DAY

This young DJ / Producer has grown to the sounds of Disco Funk and House and incorporates in his songs his own very groovy signature enhanced with the Funky Touch of the 80s that forms from this recipe a fresh and tasty auditory cocktail.

South of France native, Tommy Glasses counts among the rising DJs of his generation.

Born in 1999, Tommy grew up along with a DJ as a father.

His passion and interest in music production increased when at 14 he started to first mix some songs at home.

Year after year, Tommy went further and created his own melodies on top of reworking some famous Funky House DJ-best tracks.

The first Tommy's track was released in June 2017, followed by an extended play on the Monaco-based label Moving Head Records.

Since then, the success story still goes on with many productions signed with some prestigious international labels such as

Nervous records, King Street Sounds, Purple Music, Milk & Sugar, Papa Records, Reel People Music, Midnight Riot, Glasgow Underground, Flamingo rec, M2MR, NDYD, Mood Funk, SPA in Disco, Imagenes Records, Cruise Music, Sakura Music, Tropical Velvet, Dée Palma Rec, Springbok Records, La vie D'artiste, and more...

Although Soul-Funk-Disco, Nu Disco-Indie Dance, House oriented, Tommy Glasses always adds his own touch, meaning an 80's Funky and Groovy sound.

Like a personal musical signature subtly incorporated in some beautiful tracks that many worldwide DJs and radio stations play more and more from the French Riviera to London or St Barths...

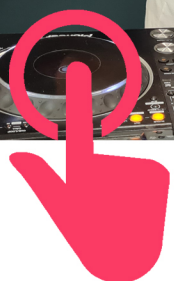

Not to mention a new collaboration with the famous Radio **FG.** that started in 2020.

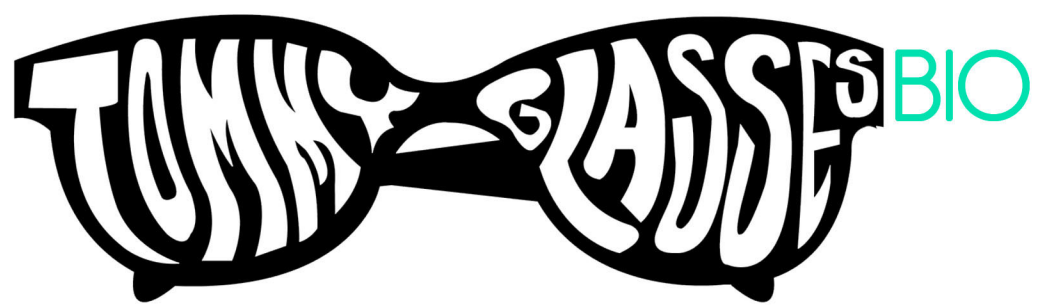

His titles are played and supported by many DJs. Many projects to follow and soon a tour dates to share his music around the world.

As a DJ, he also took to the decks at a very early age, starting to mix at the age of 14.

his first residency at the age of 18, and since 2020 has been resident in several establishments on St Barth.

He performs under his own name on Radio FG in clubs and at festivals.
